PROFILE

Enthusiastic Python Full Stack Developer with strong expertise in frontend and backend development. Skilled in designing and developing responsive, scalable, and high-performance web applications using Python, Django/Flask, HTML, CSS, JavaScript, and SQL. Proficient in REST API integration, version control using Git, and writing clean, efficient code. Passionate about solving real-world problems and continuously learning modern technologies.

PROFESSIONAL EXPERIENCE

Information Technology | Indian School of Business

- Supported backend operations of a large-scale online learning platform used by working professionals.
- Managed course content lifecycle (authoring, staging, publishing), improving deployment efficiency.
- Performed data operations using MongoDB, ensuring high data accuracy.
- Developed Python scripts to automate reports, reducing manual effort by ~25–30%.
- Assisted in program scheduling, weekly planner setup, and smooth execution of program launches.

SKILLS

- **Programming Languages:** Python
- **Frontend Technologies:** HTML5, CSS3, JavaScript
- **Frameworks:** Django
- **Database Technologies:** SQL, MongoDB
- **Tools & IDE's:** GitHub, VS Code, Excel
- **Soft Skills:** Problem Solving, Debugging

PROJECTS

Intelligent AI Chatbot | Python

Developed a conversational AI chatbot using Python, TensorFlow, and NLTK to understand user intent and deliver context-aware responses, achieving ~90% accuracy. Applied NLP techniques such as tokenization, lemmatization, and stop-word removal to improve response relevance and user interaction.

Automated Amazon Price Tracker | Python

Built a web scraping application using Python, Requests, and BeautifulSoup to monitor real-time product prices with ~95% accuracy. Integrated an automated email alert system using SMTP, enabling instant user notifications for price drops.

Online Shopping Website

Developed an interactive e-commerce platform using React.js and Material UI, featuring dynamic product listings and a persistent shopping cart, which simulated a 25% increase in user conversion rate through a streamlined purchasing process.

EDUCATION

Bachelor of Technology, Electronics and Communication Engineering

Rajiv Gandhi University of Knowledge Technologies, Ongole, A.P

2021 – 2025

CGPA-7.8

Board of Intermediate

Rajiv Gandhi University of Knowledge Technologies, Ongole, A.P

2019 – 2021

CGPA-8.44

SSC

AP Z.P.G.High School,Mudigubba

2019

CGPA-9.8

CERTIFICATES

- Introduction To Internet Of Things NPTEL | 2025
- Web Development CODTECH IT SOLUTIONS | 2024
- Certificate in Web Development Academor | 2023
